Senior Project Manager

Severn Rivers Trust

£28,200 - £34,300

The Severn Rivers Trust is an independent environmental charity established to secure the preservation, protection, development and improvement of the rivers, streams, watercourses and water bodies in the Severn catchment, and to advance the education of the public in the management of water and the wider environment.

The Trust, which was established in 2008 and achieved charitable status in February 2010, is now undergoing an exciting period of rapid growth and is seeking to recruit a Senior Project Manager as its first full-time employee.

Reporting to the Director you will be responsible for ensuring that the Trust's objectives are achieved through the delivery of a wide range of projects in partnership with stakeholders, other conservation bodies and catchment communities.

You will be a graduate (or equivalent) in a scientific or environmental discipline with a proven record in environmental management - able to demonstrate

- Excellent people and communication skills
- Ability to work independently towards agreed targets
- Major project management success
- Knowledge of river and catchment related issues using an ecosystem approach
- An innovative and successful approach to fund raising

The Severn Rivers Trust is poised for the next stage of its development. If you believe you have the passion, commitment and skills to take it forward then tell us why, when you send your CV to:

The Director, Severn Rivers Trust, 4 Dunthrop Road , Heythrop, Chipping Norton, Oxon , OX7 5TL.
